### News

Dear Parents/Carers,

*Welcome back to what we hope will be a productive, settled and sunny summer term! We hope you all had a happy, healthy and enjoyable Easter break. Our Covid-19 safety measures will remain in place this term with children staying in the same bubbles as before Easter. Drop off and collection times and arrangements will also remain the same.*

*This week the children will be introduced to Kipsie the Caterpillar who is helping us to identify and talk about a range of feelings. Please ask your children to share what they have learnt. We look forward to sharing more of our learning over the next few weeks.*

*Kind regards, Mrs Fraher*

### Warm Weather Procedures

**Hats and Water Bottles** - Please bring in named sun hats and water bottles every day when the weather is warm.

**Sun Cream** - If it is exceptionally hot, you may want your child to bring sun cream into school to apply themselves during the day, in addition to any sun cream you put on them before school. Named sun cream containers may be sent in but must be kept in the classroom. No child will be allowed to share another child's cream.

### School Meals - 20th May 2021 (Pupil Census Day)

Why is this date important?

Thursday 20th May is Summer Census Day. We have to report on the number of Reception, Year 1 and Year 2 children who eat a school meal on this particular day. The school is funded for the whole year on the percentage of eligible pupils who eat a school meal on this Census Day. If your child is one of the very few children who have school meals sometimes but not all the time, could we ask you please to ensure your child eats a school meal on Thursday 16th May.

*If your child does not eat a school meal on 20th May but eats a school meal on other days – we will receive no payment from the Government and we will actually be paying for every meal your child eats during the year from our School Budget.*

every achievement celebrated'*

## Reminders

### After-school pick-up arrangements

Please telephone the School Office on 01462 813359 if going home arrangements for your child are different from normal arrangements that the class teachers are used to. Your **password will be required** for telephone requests.

**Please do not email the School Office, as any failure in our Internet service will mean the messages will not get read.**

### Names

Please name all your child's clothing. Please refer to [www.name-labels.com](http://www.name-labels.com) if you wish to purchase children's name labels. The school reference number is 3511.

### School Lunch money (Years 3 & 4)

Please ensure that lunch money is paid in advance. This can be done by sending the money to school on a Monday in a named envelope or paying via your ParentMail account. If you have any queries regarding school lunches and/or payments, please contact Mrs Wheatley in the School Office.

### Coats

Please ensure your child always has a coat/rain jacket with them every day in school. As you know, our weather is extremely changeable and we don't want children to feel cold when they are in the playground.

### Water Bottles

Please ensure your child has a named water bottle in school every day, **it should only contain water.**

### Milk

Every child who is under the age of 5 is entitled to free milk in school. Once your child has turned 5, you have the option of paying for them to have milk in school. This is a direct arrangement with a company called Cool Milk.

If you would like to arrange this, please collect a registration form from the school office or register on [www.coolmilk.com](http://www.coolmilk.com)

### Snacks

Can we remind all parents that if you are packing your child a snack that this should only be fresh or dried fruit / vegetable.

### Social Distancing:

In order to minimise congestion and maintain social distancing, please make sure that only one member from your household is present at the start / end of the school day to drop off / collect your child(ren). We would also recommend wearing a face covering if possible.

### Parking:

Please park considerably, on school side of Rectory Road.

## Parent Consultations

Teachers are looking forward to discussing how children have transitioned back into school and outlining any targets your child will be focusing on during the summer term.

**Wednesday 21st April - 4.00 - 5:45pm**

**Thursday 22nd April - 4.00- 5:45pm**

These will follow the same format as in the Autumn Term with class teachers making contact by phone. **A parent mail form will be sent this week for you to indicate your preferred date and time.**

Please remember you can ask questions or raise concerns about your child's attainment and progress at anytime. Either contact the office to arrange an appointment to speak your child's class teacher or contact them directly using Seesaw.
